Bass Coast Ballet Families,

We would like to welcome back all of our students for 2018. Summer has been a busy time for the committee with all of the costumes washed and put away in the storage shed, the floor in Wonthaggi cleaned and painted and lots of new enrolments and classes to organise.

Miss Rowena's classes began this week with lots of excited students in their gorgeous new ballet gear. We would like to remind parents to name all of your child's items, including shoes, as things often get left behind and it is easier for us to return things if they are named.

We would also like to remind ballet students that your hair needs to be up in a neat bun and the correct clothing is to be worn. We understand that it can take a few weeks to get organised with the right gear and that isn't a problem at all. Tap and jazz students are always required to have their hair tied up and off their face and the correct clothing. If you are trying out the hip hop classes in Wonthaggi you will need to make sure you bring your runners and wear comfortable clothing. You can refer to our website if you are unsure of what to wear or send us an email if you have any questions.

We also have some new classes to offer this year so be sure to check out our timetables on the website basscoastballet.com.au.

Term 1 fees will be sent out in the first two weeks of term. If you have any queries about these please contact Julie on bcbstrea@gmail.com.

Classes in Wonthaggi start on Monday the 5th of February. We are looking forward to a busy and productive 2018.

Happy dancing!
