Bass Coast Ballet Families,

We are halfway through Term 2 already and the committee has been working hard to organise the AGM and Choreography Day. This will be held at the Cowes Cultural Centre on Sunday the 5th of August at 1pm. This is a really good chance for students to create their own dances and perform them in front of parents. If your child wishes to participate then they will need to fill in a form and email it back to the school. The forms will be emailed to all families. Costumes are not required but it is important that you time your child's dance to make sure it is the required length. There is no fee for putting a dance in but a gold coin donation will be required from parents attending. The AGM will be run at interval. Have fun creating your dances!

As winter closes in and the temperature drops, it is important that students wear the correct attire to class. It is very hard for teachers to correct students posture if they are wearing a baggy jumper. Cross overs and leg warmers are a good way to keep warm during class. Please make sure that hair is in a neat bun for every ballet class.

We have jumpers and singlets available for purchase from The White Tutu in Wonthaggi.

The concert will be held on the Saturday the 8th of December. You will be notified closer to the time with dates and times for these rehearsals.

As most of you would be aware, Bass Coast Ballet School is a not for profit organisation run by a committee of volunteers, we are all very busy women who volunteer our time. We will be sending out a survey to parents soon and we would love your feedback. Please take the time to fill in the survey and help us out with any ideas on how we can improve our dance school.

We are always looking for new committee members. We meet once a month and it would be great to see some new faces.

Happy dancing!
